

Step by Step Enrollment Process

01 Review our Handbook
Please carefully review our handbook and reach out with any questions.

02 Choose a Schedule and Agree to Tuition Policies
Please read our Schedule and Tuition Policies and then sign and return the last page of that document to officially register.

03 Reserve a spot online!
Please go to www.svgymnh.com and click on "preschool." Then register online for signing waivers, policies to create a parent portal account for billing and communication. At this time you will also need to pay the \$30 registration fee. An invoice will arrive via email.

04 Return State Required Forms
This packet can be emailed, it will include a State of NH Enrollment form, permission slips for field trips (to gymnastics class). We will also need a copy of your child's last physical.

05 Create a SpotTV Account
If you wish, you can view your child's day through the SpotTV app. You can download the app to any Android or iPhone device and then register through the app.

Once enrolled you will receive a suggested packing list and a welcome letter about your child's first week of class. We are available to help with each step of this process and answer any questions you may have along the way.
